Going to investigate, he saw "an object large enough for six or eight men to stand in. It was about ten feet high in the center and about thirty feet in diameter and shaped like a half rubber ball, tapering down to a three foot thickness on the side. I believe I was under and near it for about three

#### 10 ON 11 POINT

A BALL OF FIRE said to have knocked out a 30-year-old Scout Master, has sent the Air Force Flying Saucer Investigation Squad to Florida. There it has been told a strange story by ex-marine Scout Master D.S. Desverges, who says he was going home with three scouts when he saw flashes of light in a wood. Go ing to investigate, he saw "an object large enough for six or eight men to stand in. It was about ten feet high in the center and about thirty feet in diameter and shaped like a half rubber ball, tapering down to a three foot thickness on the side. I believe I was under and near it for about three minutes. It was only ten feet from the ground. It made a hissing sound like a tire going down." Desverges said that from the object a flare was shot at him which seemed to float slowly towards his face. "When I awoke" he added,

Going to investigate, he saw "an object large enough for six or eight men to stand in. It was about ten feet high in the center and about thirty feet in diameter and shaped like a half rubber ball, tapering down to a three foot thickness on the side. I believe I was under and near it for about three minutes. It was only ten feet from the ground. It made a hissing sound like a tire going down." Desverges said that from the object a flare was shot at him which seemed to float slowly towards his face. "When I awoke" he added, "I had no sense of feeling." A Deputy

#### 6 ON 7 POINT

A BALL OF FIRE said to have knocked out a 30-year-old Scout Master, has sent the Air Force Flying Saucer Investigation Squad to Florida. There it has been told a strange story by ex-marine Scout Master D.S. Desverges, who says he was going home with three scouts when he saw flashes of light in a wood. Going to investigate, he saw "an object large enough for six or eight men to stand in. It was about ten feet high in the center and about thirty feet in diameter and shaped like a half rubber ball, tapering down to a three foot thickness on the side. I believe I was under and near it for about three minutes. It was only ten feet from the ground. It made a hissing sound like a tire going down." Desverges said that from the object a flore was shot at him which seemed to float slowly towards his face. "When I awoke" he added, "I had no sense of feeling." A Deputy Sheriff reports that the hairs on Desverges arms had been singed and tiny holes burned in his cap. There was some scorched ground near the spot. When Desverges came from the woods he is said to have looked like a wild man. The scout master's story is being closely studied by experts. It may be
